CONDITIONS: GENERAL CONDITIONS

The General Conditions which follow relate to the Securities and must be read in conjunction with, and are subject to, the Product Conditions (whether or not attached to this document). The Product Conditions and the General Conditions together constitute the Conditions of the Securities and will be printed on the Definitive Securities or attached to the Global Security representing the Securities.

1. DEFINITIONS

Terms in capitals which are not defined in these General Conditions shall have the meanings ascribed to them in the Product Conditions.

2. STATUS

The Securities constitute unsecured and unsubordinated obligations of the Issuer and rank *pari passu* among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.

3. EARLY TERMINATION

The Issuer shall have the right to terminate the Securities if it shall have determined in its absolute discretion that for reasons beyond its control its performance thereunder shall have become unlawful in whole or in part as a result of compliance in good faith by the Issuer with any applicable present or future law, rule, regulation, judgement, order or directive of any governmental, administrative, legislative or judicial authority or power (“**Applicable Law**”). In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination (ignoring such illegality) less the cost to the Issuer of unwinding any related hedging arrangements. Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4.

4. NOTICES

(a) Validity. Unless otherwise specified in an Offering Supplement, announcements to Holders will be valid if delivered to the Clearing Agent(s).

- (b) Delivery. Any such announcement issued pursuant to General Condition 4(a) shall be deemed to be effective on the day following its delivery to the Clearing Agent (and if delivered to more than one Clearing Agent on the date first delivered to a Clearing Agent) or, if published as specified in the relevant Offering Supplement on the date of such publication (and if published in more than one country then on the date first published).

5. HEDGING DISRUPTION

- (a) Notification. The Issuer shall as soon as reasonably practicable give instructions to the Calculation Agent to notify the Holders in accordance with General Condition 4(a): (i) if it determines that a Hedging Disruption Event has occurred; and (ii) of the consequence of such Hedging Disruption Event as determined by the Issuer pursuant to General Condition 5(c).
- (b) Hedging Disruption Event. A “**Hedging Disruption Event**” shall occur if the Issuer determines that it is or has become not reasonably practicable or it has otherwise become undesirable, for any reason, for the Issuer wholly or partially to establish, re-establish, substitute or maintain a relevant hedging transaction (a “**Relevant Hedging Transaction**”) it deems necessary or desirable to hedge the Issuer's obligations in respect of the Securities. The reasons for such determination by the Issuer may include, but are not limited to, the following:
 - (i) any material illiquidity in the market for the relevant instruments (the “**Disrupted Instrument**”) which from time to time are included in the reference asset to which the Securities relate; or
 - (ii) a change in any applicable law (including, without limitation, any tax law) or the promulgation of, or change in, the interpretation of any court, tribunal or regulatory authority with competent jurisdiction of any applicable law (including any action taken by a taxing authority);
or
 - (iii) a material decline in the creditworthiness of a party with whom the Issuer has entered into any such Relevant Hedging Transaction; or
 - (iv) the general unavailability of: (A) market participants who will agree to enter into a Relevant Hedging Transaction; or (B) market participants

who will so enter into a Relevant Hedging Transaction on commercially reasonable terms.

(c) Consequences. The Issuer, in the event of a Hedging Disruption Event, may determine to:

(i) terminate the Securities. In such circumstances the Issuer will, however, if and to the extent permitted by the Applicable Law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination less the cost to the Issuer of unwinding any related hedging arrangements. Where the Securities contain provisions which provide a minimum assured return of principal, howsoever expressed, on the Settlement Date or Maturity Date as applicable, or a minimum assured return of interest or coupons, howsoever expressed, on a relevant Interest Payment Date, any such amount to be paid under this General Condition shall not be less than the present value of such minimum assured return of principal and/or interest or coupons, such present value being determined by the Calculation Agent. Payment will be made to the Holder in such manner as shall be notified to the Holder in accordance with General Condition 4;

(ii) make an adjustment in good faith to the relevant reference asset by removing the Disrupted Instrument at its fair market value (which may be zero). Upon any such removal the Issuer may: (A) hold any notional proceeds (if any) arising as a consequence thereof and adjust the terms of payment and/or delivery in respect of the Securities; or (B) notionally reinvest such proceeds in other reference asset(s) if so permitted under the Conditions (including the reference asset(s) to which the Securities relate);

(iii) make any other adjustment to the Conditions as it considers appropriate in order to maintain the theoretical value of the Securities after adjusting for the relevant Hedging Disruption Event. Where the Securities contain provisions which provide a minimum assured return of principal, howsoever expressed, on the Settlement Date or Maturity

Date as applicable, or a minimum assured return of interest or coupons, howsoever expressed, on a relevant Interest Payment Date, any such adjustment will in no way affect the Issuer's obligations to make payment to the Holders not less than the minimum assured return of principal and/or interest or coupons on the relevant Settlement Date or Maturity Date, or Interest Payment Date, as applicable.

6. PURCHASES, FURTHER ISSUES BY THE ISSUER AND PRESCRIPTION

- (a) Purchases. The Issuer or any Affiliate may, except under certain circumstances, purchase Securities at any price in the open market or by tender or private treaty. Any Securities so purchased may be held, surrendered for cancellation or reissued or resold, and Securities so reissued or resold shall for all purposes be deemed to form part of the original series of Securities.

In this General Condition 6(a) "**Affiliate**" means any entity controlled directly or indirectly, by the Issuer, any entity that controls, directly or indirectly, the Issuer, or any entity under common control with the Issuer. As used herein "**control**" means the ownership of a majority of the voting power of the entity and "**controlled by**" and "**controls**" shall be construed accordingly.

- (b) Further Issues. The Issuer shall be at liberty from time to time without the consent of the Holders or any of them to create and issue further securities so as to be consolidated with and form a single series with the Securities.
- (c) Prescription. Any Security or Coupon which is capable of presentation and is not so presented by its due date for presentation shall be void, and its value reduced to zero, if not so presented within five years of such due date. For the avoidance of doubt, any Securities which are subject to provisions relating to their exercise shall be void, and their value shall be zero, if not exercised in accordance with their provisions.

7. DETERMINATIONS AND MODIFICATIONS

- (a) Determinations. Any determination made by the Issuer shall (save in the case of manifest error) be final, conclusive and binding on the Holders.
- (b) Modifications. The Issuer may without the consent of the Holders or any of them, modify any provision of the Conditions which is: (i) of a formal, minor

or technical nature; (ii) made to correct a manifest error; or (iii) in its absolute discretion, not materially prejudicial to the interests of the Holders. Notice of any such modification will be given to the Holders in accordance with General Condition 4 but failure to give, or non-receipt of, such notice will not affect the validity of any such modification.

8. SUBSTITUTION

- (a) Substitution of Issuer. The Issuer may at any time, without the consent of the Holders substitute for itself as principal obligor under the Securities any company (the “**Substitute**”), being any subsidiary or affiliate of the Issuer, subject to: (i) the obligation of the Substitute under the Securities being guaranteed by ABN AMRO Holding N.V. (“**Holding**”) (unless Holding is the Substitute); (ii) all actions, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Securities represent legal, valid and binding obligations of the Substitute having been taken, fulfilled and done and being in full force and effect; and (iii) the Issuer having given at least 30 days’ prior notice of the date of such substitution to the Holders in accordance with General Condition 4. In the event of any substitution of the Issuer, any reference in the Conditions to the Issuer shall from such time be construed as a reference to the Substitute.
- (b) Substitution of Office. The Issuer shall have the right upon notice to the Holders in accordance with General Condition 4 to change the office through which it is acting and shall specify the date of such change in such notice.

9. TAXATION

The Issuer shall not be liable for or otherwise obliged to pay any tax, duty, withholding or other similar payment which may arise as a result of the ownership, transfer or exercise of any Securities. In relation to each Security the relevant Holder shall pay all Expenses as provided in the Product Conditions. All payments or, as the case may be, deliveries in respect of the Securities will be subject in all cases to all applicable fiscal and other laws and regulations (including, where applicable, laws requiring the deduction or withholding for, or on account of, any tax duty or other charge whatsoever). The Holder shall be liable for and/or pay, any tax, duty or charge in connection with, the ownership of and/or any transfer, payment or delivery in respect of the Securities held by such Holder. The Issuer shall have the right, but shall not be

obliged, to withhold or deduct from any amount payable such amount, as shall be necessary to account for or to pay any such tax, duty, charge, withholding or other payment. Each Holder shall indemnify the Issuer against any loss, cost or other liability whatsoever sustained or incurred by the Issuer in respect of any such tax, duty, charge, withholding or other payment as referred to above in respect of the Securities of such Holder.

10. REPLACEMENT OF SECURITIES AND COUPONS

If any Security or Coupon is lost, stolen, mutilated, defaced or destroyed it may be replaced at the specified office of the Principal Agent (or such other place of which notice shall have be given to Holders in accordance with General Condition 4) upon payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Securities and Coupons must be surrendered before replacements will be issued.

11. ADJUSTMENTS FOR EUROPEAN MONETARY UNION

(a) Redenomination. The Issuer may, without the consent of any Holder, on giving notice to the Holders in accordance with General Condition 4 elect that, with effect from the Adjustment Date specified in such notice, certain terms of the Securities shall be redenominated in euro. The election will have effect as follows:

(i) where the Settlement Currency is the National Currency Unit of a country which is participating in the third stage of European Economic and Monetary Union pursuant to the Treaty, whether as from 1999 or after such date, such Settlement Currency shall be deemed to be an amount of euro converted from the original Settlement Currency into euro at the Established Rate, subject to such provisions (if any) as to rounding as the Issuer may decide and as may be specified in the notice, and after the Adjustment Date, all payments in respect of the Securities will be made solely in euro as though references in the Securities to the Settlement Currency were to euro;

(ii) where the Conditions contain a rate of exchange or any of the Conditions are expressed in a currency (the “**Original Currency**”) of a country which is participating in the third stage of European Economic and Monetary Union pursuant to the Treaty, whether as from 1999 or after such

date, such rate of exchange and/or any other terms of the Conditions shall be deemed to be expressed in or, in the case of a rate of exchange, converted for or, as the case may be into, euro at the Established Rate; and

(iii) such other changes shall be made to the Conditions as the Issuer may decide to conform them to conventions then applicable to instruments expressed in euro.

(b) **Adjustment to Conditions.** The Issuer may, without the consent of the Holders, on giving notice to the Holders in accordance with General Condition 4 make such adjustments to the Conditions as the Issuer may determine to be appropriate to account for the effect of the third stage of European Economic and Monetary Union pursuant to the Treaty on the Conditions.

(c) **Euro Conversion Costs.** Notwithstanding General Condition 11(a) and/or General Condition 11(b), none of the Issuer, the Calculation Agent nor any Agent shall be liable to any Holder or other person for any commissions, costs, losses or expenses in relation to or resulting from the transfer of euro or any currency conversion or rounding effected in connection therewith.

“**Settlement Currency**” means the currency specified as such in the definition of the relevant Series;

“**Settlement Date**” means the fifth Business Day following the relevant Valuation Date or the Issuer Call Date, as the case may be;

“**Trading Day**” means any day that is (or but for the occurrence of a Market Disruption Event, would have been) a trading day on each Exchange or Related Exchange other than a day on which trading on the Exchange or Related Exchange is scheduled to close prior to its regular weekday closing time;

“**Transaction Charge**” means a percentage rate as determined by the Calculation Agent. The Calculation Agent may adjust the Transaction Charge on each Rollover Date, but in any event the Transaction Charge will not exceed 0.10%. The Transaction Charge on the Issue Date is 0.05%;

“**Underlying Currency**” means the currency specified as such in the definition of the relevant Series;

“**Valuation Date**” means the last Trading Day of March in each year, commencing from (and including) March 2006, unless, in the determination of the Calculation Agent, a Market Disruption Event has occurred on that day in which case, the Valuation Date shall be the first succeeding Trading Day on which the Calculation Agent determines that there is no Market Disruption Event, unless the Calculation Agent determines that there is a Market Disruption Event occurring on each of the five Trading Days immediately following the original date

which (but for the Market Disruption Event) would have been a Valuation Date. In that case (i) the fifth Trading Day shall be deemed to be the Valuation Date (regardless of the Market Disruption Event); and (ii) the Calculation Agent shall determine the Final Reference Price having regard to the then prevailing market conditions, the last reported trading price of the Reference Asset and such other factors as the Calculation Agent determines to be relevant; and “**Valuation Time**” means the closing time of the relevant Exchange, or such other time as the Issuer may determine in its absolute discretion and notify to Holders in accordance with General Condition 4.

Terms in capitals which are not defined in these Product Conditions shall have the meanings ascribed to them in the General Conditions.

2. FORM

The Securities are represented by a Global Security (the “**Global Security**”) which will be deposited with the Clearing Agent and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular unit quantity of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the unit quantity of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such unit quantity of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and / or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

3. RIGHTS AND PROCEDURES

- (a) Exercise. The Securities are exercisable by delivery of a Notice prior to the Exercise Time on the Exercise Date.
- (b) Issuer Call. The Issuer may terminate, subject to a valid Exercise, the Securities, in whole but not in part on any Business Day, by giving Holders at least one calendar years notice of its intention to terminate the Securities, such notice to be given at any time from (and including) the Issuer Call Commencement Date. Any such notice shall be given in accordance with the provisions of General Condition 4, and shall specify the Issuer Call Date.

- (c) Cash Settlement. Each Security upon due Exercise or termination pursuant to an Issuer Call, and subject to the delivery by the Holder of a duly completed Notice and to certification as to non-U.S. beneficial ownership entitles its Holder to receive from the Issuer on the Settlement Date the Cash Amount.
- (d) Payment Day. If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (e) General. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent and any Agent shall have any responsibility for any errors or omissions in the calculation of any Cash Amount.
- (f) Notice. All payments shall be subject to the delivery of a duly completed notice (a “**Notice**”) to a Clearing Agent with a copy to the Principal Agent. The form of the Notice may be obtained during normal business hours from the specified office of each Agent.

A Notice shall:

- (1) specify the number of Securities to which it relates;
- (2) specify the number of the account with the Clearing Agent to be debited with the Securities to which it relates;
- (3) irrevocably instruct and authorise the Clearing Agent to debit on or before the Settlement Date such account with such Securities;
- (4) specify the number of the account with the Clearing Agent to be credited with the Cash Amount (if any) for such Securities;
- (5) certify that neither the person delivering the Notice nor any person on whose behalf the Notice is being delivered is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (i) an individual who is a resident or a citizen of the United States; (ii) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (iii) any estate or trust which is subject to United States federal income taxation

regardless of the source of its income; (iv) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (v) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (ii) above; (vi) any entity organised principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (i) to (v) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission's regulations by virtue of its participants being non-U.S. persons; or (vii) any other "U.S. person" as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act; and

- (6) authorise the production of such Notice in any applicable administrative or legal proceedings.
- (g) Verification. In respect of each Notice, the relevant Holder must provide evidence reasonably satisfactory to the Principal Agent of its holding of such Securities.
- (h) Settlement. The Issuer shall pay or cause to be paid the Cash Amount (if any) for each Security with respect to which a Notice has been delivered to the account specified in the relevant Notice for value on the Settlement Date.
- (i) Determinations. Failure properly to complete and deliver a Notice may result in such notice being treated as null and void. Any determination as to whether a Notice has been properly completed and delivered shall be made by the Principal Agent and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or which is not copied to the Principal Agent immediately after being delivered to a Clearing Agent as provided in the Conditions shall be void.

If such Notice is subsequently corrected to the satisfaction of the Principal Agent, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent.

Any Security with respect to which a Notice has not been duly completed and delivered in the manner set out above by the time specified in Product Condition 3 shall become void.

The Principal Agent shall use its best efforts promptly to notify the relevant Holder if it has determined that a Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, neither the Issuer nor the Principal Agent shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (j) Delivery of a Notice. Delivery of a Notice by or on behalf of a Holder shall be irrevocable with respect to the Securities specified and no Notice may be withdrawn after receipt by a Clearing Agent as provided above. After the delivery of a Notice, the Securities which are the subject of such notice may not be transferred.
- (k) Exercise and Settlement Risk. Exercise and settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and neither the Issuer nor any Agent shall incur any liability whatsoever if it is unable to effect the transactions contemplated, after using all reasonable efforts, as a result of any such laws, regulations or practices. Neither the Issuer nor the Agents shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred. A **“Market Disruption Event”** means:

- (a) Price Source Disruption. The failure by the Exchange to announce or publish the price for the Commodity (or the information necessary for determining

such price), or the temporary or permanent discontinuance or unavailability of such price by the Exchange; or

- (b) Trading Suspension. The material suspension of trading on the Exchange or any Related Exchange; or
- (c) Disappearance of Price. The failure of trading to commence, or the permanent discontinuation of trading of the Reference Asset on the Exchange; or
- (d) Material Change in Formula. The occurrence, since the Issue Date, of a material change in the basis for (including but not limited to the quantity, quality or currency), or method of calculating the price of the Reference Asset; or
- (e) Material Change in Content. The occurrence, since the Issue Date, of a material change in the content, composition of the Reference Asset; or
- (f) De Minimis Trading. The number of contracts traded on the Exchange with respect to the Reference Asset is such that the Issuer declares that its ability to enter into hedging transactions with respect to the Reference Asset has been impaired due to a lack of, or, a material reduction in, trading in the Reference Asset on the Exchange; or
- (g) Tax Disruption. The imposition of, change in, or removal of an excise, severance, sales, use, value-added, transfer, stamp, documentary, recording or similar tax on, or measured by reference to, the Reference Asset (other than a tax on, or measured by reference to, overall gross or net income) by any government or taxation authority after the Issue Date, if the direct effect of such imposition, change or removal is to raise or lower the price of the Reference Asset on the Valuation Date and/or on each of the three Trading Days following the Valuation Date from what it would have been without that imposition, change or removal; or
- (h) Trading Limitation. The material limitation imposed on trading in the Reference Asset with respect to it or any contract with respect thereto on any exchange or principal trading market; or
- (i) Any other event similar to any of the above, which could make it impracticable or impossible for the Issuer to perform its obligations in relation to the Securities.

The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations.

5. GOVERNING LAW

The Conditions pertaining to the Securities shall be governed by and shall be construed in accordance with English law.

ZUSATZANGABEN FÜR DAS ANGEBOT IN DER BUNDESREPUBLIK DEUTSCHLAND

WICHTIG: DIESE ZUSATZANGABEN FÜR DAS ANGEBOT IN DER BUNDESREPUBLIK DEUTSCHLAND SOWIE DARIN ENTHALTENE BEZUGNAHMEN AUF WERTPAPIERE BEZIEHEN SICH AUSSCHLIEßLICH AUF DEN NACHTRAG NR. 830 VOM 7. JANUAR 2005 GEMÄß § 10 WERTPAPIER-VERKAUFSPROSPEKTGESETZ ZUM UNVOLLSTÄNDIGEN VERKAUFSPROSPEKT VOM 28. FEBRUAR 2002.

1. BESTEUERUNG

Der folgende Abschnitt beschreibt die nach deutschem Steuerrecht auftretenden steuerlichen Folgen der Veräußerung von Wertpapieren innerhalb der Einjahresfrist auf Grundlage des zum Zeitpunkt der Veröffentlichung des Offering Supplement geltenden Steuerrechts. Diese Zusammenfassung ist allerdings nicht erschöpfend. Insbesondere werden keine Aussagen über die steuerlichen Folgen gemacht, falls einzelne Wertpapiere nach deutschem Recht als sogenannte Finanzinnovationen oder eigenkapitalähnliche Instrumente zu besteuern sind. Inhabern, die in Bezug auf ihre steuerliche Rechtsposition im Zweifel sind, wird empfohlen, ihren Steuerberater zu konsultieren.

Ein in Deutschland ansässiger Privatanleger (Wohnsitz oder ständiger Aufenthaltsort in Deutschland), der das Wertpapier innerhalb eines Jahres nach Erwerb veräußert, unterliegt mit einem Veräußerungsgewinn grundsätzlich der Einkommensteuer, (zuzüglich Solidaritätszuschlag in Höhe von 5,5% der Einkommensteuer).

Der Erfolg aus der Veräußerung wird als Differenz von Verkaufserlös einerseits sowie ursprünglichen Anschaffungskosten und Spesen andererseits ermittelt. Im Kalenderjahr werden sämtliche Gewinne und Verluste aus diesen Geschäften saldiert. Liegen die Gewinne nach Saldierung unter Euro 512, bleiben sie steuerfrei; ab Euro 512 sind sie in voller Höhe steuerpflichtig. Wird nach Saldierung ein Verlust ausgewiesen, kann der Verlust im Vorjahr erzielte Gewinne aus ähnlichen Geschäften mindern. Ist das nicht möglich oder gewünscht, kann der Verlust vorgetragen werden.

Ähnliche Regelungen gelten, wenn der Privatanleger Rechte zum Erwerb/ zur Veräußerung erwirbt oder Verpflichtungen zum Erwerb/ zur Veräußerung innerhalb eines Jahres durch Barausgleich oder Glattstellung aufgibt. Auch nach Ablauf der Einjahresfrist kann im Einzelfall eine Steuerpflicht gegeben sein. Sind die Wertpapiere einem Betriebsvermögen in Deutschland zugeordnet, unterliegt der Gewinn aus der Veräußerung

unabhängig von der Haltedauer grundsätzlich der Einkommensteuer - oder Körperschaftsteuer zuzüglich eines Solidaritätszuschlags i.H.v. 5,5% hierauf sowie der Gewerbesteuer. Der Umfang der Steuerpflicht ist allerdings für jeden Einzelfall gesondert zu bestimmen (z.B. keine Gewerbesteuerpflicht für Angehörige freier Berufe). Ob Verluste abziehbar sind, hängt von den Umständen des Einzelfalls ab. Auch eine nicht in Deutschland ansässige Person ist im allgemeinen nach den oben genannten Grundsätzen steuerpflichtig, z.B. wenn sie in Deutschland eine Betriebsstätte unterhält oder einen ständigen Vertreter bestellt hat.

2. EMISSION UND VERKAUF

Die Wertpapiere sind zum Vertrieb und zum Verkauf in Deutschland geeignet und werden am 7. Januar 2005 emittiert und ab dem 7. Januar 2005 freibleibend zum Verkauf angeboten. Die Wertpapiere können direkt von jeder Niederlassung der ABN AMRO Bank N.V. in Deutschland bezogen werden. INFORMATION RELATING TO NEW YORK MERCANTILE EXCHANGE (NYMEX) HEATING OIL

1. GENERAL DESCRIPTION

Heating oil, also known as No. 2 fuel oil, accounts for about 25% of the yield of a barrel of crude, the second largest "cut" after gasoline. The heating oil futures contract trades in units of 42,000 gallons (1,000 barrels) and is based on delivery in New York harbor, the principal cash market trading center. Options on futures, calendar spread options contracts, crack spread options contracts, and average price options contracts give market participants even greater flexibility in managing price risk.

The heating oil futures contract is also used to hedge diesel fuel and jet fuel, both of which trade in the cash market at an often stable premium to NYMEX Division New York harbor heating oil futures.
